## Bathrooms & 19th Hole Bar

### Get a Facelift at Little River Country Club...

That's right...both the mens and women's bathrooms at Little River Country Club received a new look. Floor to ceiling ceramic tile and a mosaic backsplash. New toilets, sinks, vanities, mirrors and lights! Thank you for your patience with this renovation. The contractors were speedy and made the transformation as easy as possible by working through the night. I think that you will agree that the small sacrifice was worth it.

### Junior Golf & Pee Wee Golf

Little River Country Club is proud of our commitment to the youth of our area. We offer lessons, outings and tournaments for kids of all ages and skill levels. As part of this commitment, we work closely with the PGA Junior Golf Foundation. This year the club served over 155 children from the area in two levels of Instructional Clinics that ran through June, July & August: Pee wee Golf for 5-8 years olds & Junior League for 8-18 years olds. There is a year end tournament and bar-b-queue with trophies and certificates granted. Thank you LRCC members that dedicate your Tuesday & Thursday Mornings to this success. We could not do it without you and we are very grateful for you!
